The fall semester runs **August 4th through January 3rd** (20 possible lessons, with no lessons during the weeks of Thanksgiving and Christmas). Students are expected to commit to lessons for the full semester (or the remainder of the semester if they begin lessons after August 4th).

Students are expected to commit to the same lesson day and time for the full semester.

Schedule changes will be considered on a case-by-case basis, but please be considerate of fellow students by choosing a time that will work for the full semester; schedule changes often require other students to change their times as well.

Make-up lessons may be scheduled for absences with 24 hours advance notice or in the case of emergency/illness, subject to instructor/student availability. No refunds will be given for missed lessons.

In the case of a **teacher absence**, a make-up lesson will be scheduled based on instructor/student availability. If a make-up lesson cannot be scheduled, the missed lesson will be credited toward the next month's bill.

Students taking regular (weekly or biweekly) lessons beginning the week of August 4th will be billed for the same amount monthly for 19 lessons in the fall semester. Payment is due 5 days before the 1st of the month.

Students who discontinue lessons before the end of the semester will not be refunded for lessons already billed, and notice of discontinuation must be received 6 or more days before the first of the month in order to avoid being charged for the upcoming month.

Details for weekly lessons are listed on the following page. Biweekly and weekly lessons starting after the 4th will be calculated individually.
